

Year 3 Home Learning Challenge Grid Broadbent Fold Primary School and Nursery

Spring 1

Read, read, read EPIC books! Your own books	Where are the volcanoes in the world?	Keep a diary for 1 week	Carry out an experiment based on forces	Watch Planet earth	Create a poem based on disasters
Can you create your own family crest?	Make a PowerPoint/presentation about disasters	Make a video of a story	Draw a natural disaster	Watch Spring watch	Read an information book
Which scientist do you know?	Make a puppet show	Can you make and share (Seesaw) a podcast?	Have you listened to a podcast?	Plan and carry out your own scientific experiment	Research do plants drink?
<p>Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please send in photographs of what you get up to.</p>			What could you make to eat at home? Follow a recipe	Google earth- can you find places that you would like to visit?	Practise your kick ups - count how many you can do in 2 minutes
