Remote Learning/ Live Lessons

Monday 25th Jan - Friday 29th Jan

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day we recommend that you take part in at least 3 lessons from different subject areas each day. Here is an example of what a timetable for your day might look like:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	lesson 3
----------	--------------------	----------	---------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Ms McCoy is inviting you to the Zoom meetings.
Please click on the link attached to the school ping to

Home Learning Year 5
Week Beginning 25th January 2021
Ms McCoy

Monday 25th January	<p><u>Lesson 1</u> Maths- fractions Login to zoom for 9:20 to start the maths lesson. We will be completing maths sheet 1 during this session.</p> <p><u>Lesson 2</u> English- Mountains and how they're formed Login to zoom for 10:55 and we will use this session to find out about mountains in North America and how mountains are formed.</p>
Tuesday 26th January	<p><u>Lesson 1</u> Maths- fractions Login to zoom for 9:20 to start the maths lesson. We will be completing maths sheet 2 during this session.</p> <p><u>Lesson 2</u> English- South America Mountain Information Login to zoom for 10:55 and we will use this session to find out about mountain features in South America.</p>
Wednesday 27th January	<p><u>Lesson 1</u> Maths- fractions Login to zoom for 9:20 to start the maths lesson. We will be completing maths sheet 3 during this session.</p> <p><u>Lesson 2</u> English - South America Mountain Information Login to zoom for 10:55 and we will use this session to complete our information about South American mountains.</p>
Thursday 28th January	<p><u>Lesson 1</u> Maths- fractions Login to zoom for 9:20 to start the maths lesson. We will be completing maths sheet 4 during this session.</p> <p><u>Lesson 2</u> Show and tell. For the class to show and describe some of the activities they've had chance to create this week. Whether it is your art work, research, geography or your additional reading or TT Rockstars- it's time to celebrate all the hard work you've done this week.</p>

Home Learning Year 5

Week Beginning 25th January 2021

Ms McCoy

<p>Friday 29th January</p> <p>No Screen time/ Zoom Free Day</p>	<p><u>Try and stay off your screen's today. Here are ideas of suggested activities.</u></p> <p><u>Lesson 1</u></p> <p>Maths- fractions</p> <p>Use today to complete maths sheet 5 during this session.</p> <p><u>Lesson 2 and 3</u></p> <ul style="list-style-type: none"> • Complete your leaflet about South American mountains if you've not done so already, or • Complete your Geography weather activities or • Complete your painting of a famous mountains or • Complete your artist research. 			
<p>See below for a variety of activities for your child to complete this week for lesson 3 or if they're unable to attend the live lessons at 9:20 and 10:55.</p>				
<p>Literacy and Communication</p>	<p>https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zg6xb82</p> <p>Please continue to use the bitesize link to practice your spellings, punctuation and grammar.</p> <p>This week, focus on how to use brackets. Make sure you use these in your writing pieces.</p>			
	<p>https://classroom.thenational.academy/lessons/to-explore-modal-verbs-c9k34d</p> <p>Use this Oak Academy video to practise modal verbs.</p>			
	<p>Use the CGP comprehension book and complete comprehension 2.</p> <p>Use the CGP handwriting to practise 2 pages and ensure that you copy the guidance and the handwriting as closely s possible.</p>			
	<p>This week we will be looking at mountain ranges. The Americas have a lot of large mountain ranges. Use the video link and google to help you find out about the following:</p> <p>https://classroom.thenational.academy/lessons/which-countries-are-in-south-america-what-physical-features-can-we-find-in-south-america-crw3gr</p> <p>Note take</p>			
	<p>Mountain ranges in the Americas- where are they? What are they called? Map?</p>	<p>Mountain ranges in South America- where are they? What are they called? Map?</p>	<p>Mountain environment and weather</p>	<p>Mountain animals and habitats</p>
				

Home Learning Year 5
Week Beginning 25th January 2021
Ms McCoy

Maths and Problem Solving	<p>White Rose Resources- Fractions Follow the Power Points and complete a worksheet a day during the morning Maths zoom sessions.</p> <p>Use this link on Oak Academy as a guide to understanding what fractions are. https://classroom.thenational.academy/lessons/to-describe-the-part-whole-relationship-c5k62r</p> <p>Use the CGP mental maths workout book to complete 2 pages of calculations.</p> <p>Check out the resources, activities and lessons set on MyMaths. School login: broadbent School password: boostbroadbent</p>
Humanities and Citizenship	<ol style="list-style-type: none">1. Watch Newsround and stay up to date with the latest news for children. If you have any questions about Newsround, please ask an adult. https://www.bbc.co.uk/newsround/news/watch_newsround.2. Find out about the climates in America. Follow the instruction sheets to complete the climate sheets.3. Use the Koppen charts to help you locate what the climate is like across the world.4. Complete the suitcase activity- preparing yourself to travel to those cities.
