Remote Learning/ Live Lessons

Monday 8th Feb- Friday 12th Feb

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day we recommend that you take part in at least 3 lessons from different subject areas each day. Here is an example of what a timetable for your day might look like:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	lesson 3
----------	--------------------	----------	---------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Friday 12th February	<p><u>Lesson 1</u> Show and tell. For the class to show and describe some of the activities they've had chance to create this week. Whether it is your Chinese dragon, your internet safety cards or your additional reading or TT Rockstars- it's time to celebrate all the hard work you've done this week.</p> <p><u>Use lesson 2 and 3</u> to complete the following activities. CGP: Comprehension Activity 5 CGP: handwriting CGP: Maths page 5 Science: Write about a women who has made great strides in Science Art: Make your Chinese dragon or Chinese cone characters or try some of the Chinese recipes. Computing: Perfect passwords, Internet and Phone safety discussions</p>
-----------------------------	---

See below for a variety of activities for your child to complete this week for lesson 3 or if they're unable to attend the live lessons at 9:20 and 10:55.

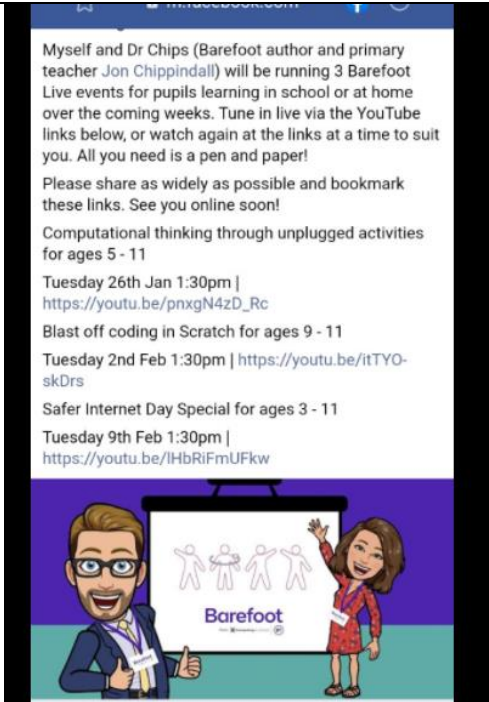

Literacy and Communication	<p>https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zpgiy4j Please continue to use the bitesize link to practice your spellings, punctuation and grammar. This week, focus on how to use an ellipse. Make sure you use these in your writing pieces.</p>			
	Use the CGP comprehension book and complete comprehension 3.			
	Use the CGP handwriting to practise 2 pages and ensure that you copy the guidance and the handwriting as closely as possible.			
	This week we will be looking at themed activities			
	Internet safety day 	International women in science 	Chinese New Year 	St Valentine's day 
Design an Internet Safety Poster and email them into school as Mrs Parker is awarding certificates 😊
