

# Can you crack the codes to become a Spy?

## As Readers and Writers we can...

- ✓ Improve vocabulary using Vocabulary Ninja.
- ✓ Engage in the class challenge to read different genres of books.
- ✓ Write character descriptions and interesting settings to create Spy narratives
- ✓ Learn how to use semi-colons.

## As Artists / Musicians / Designers we can...

- ✓ Create images of our own spies and villains.
- ✓ Design and make our own spy gadget.
- ✓ Make a Cipher wheel.
- ✓ Explore pulse, rhythm and pitch using the Charanga scheme's unit on "Classroom Jazz"

## As Linguists we can...

- ✓ Enjoy Polish Day and learn about the emblem of Poland, as well as play "Polish I Spy"!
- ✓ Look at vocabulary for clothing and use already learnt vocabulary (colours) to describe clothes.

## As Sports People we can:

- ✓ Reinforce basic skills and advance to learn different defensive systems in **Basketball**.
- ✓ Refine different dribbling, tackling, shielding, passing and receiving techniques in **Hockey**.

## Hooks for learning:

- ✓ A Mysterious briefcase, containing a coded letter and unexplained items, is delivered to Year 5!
- ✓ Spy Day - dress up as the spies they created. Activities include making identity cards with fingerprints, making gadgets, code breaking, spy moves etc.
- ✓ Watch "Stormbreaker" film and compare it to the book.

## As Computer Users we can...

- ✓ Use coding to develop a program that has specific variables identified.

## As Religious Observers / Model Citizens we can ...

- ✓ Explore our PSHE theme of responding to hurtful behaviour and respecting differences and similarities.
- ✓ Discuss why do some people believe God exists?
- ✓ Uphold the principles of our Class Charter.
- ✓ Uphold British Values using Democracy.

## As Mathematicians we can...

- ✓ Engage in multi-step addition and subtraction problems
- ✓ Explore Multiplication and Division, including Prime Numbers and Square Numbers.
- ✓ Convert, compare and order Fractions.

## Reading Text Links are...

- ✓ *Stormbreaker* (Adventure Story) by Anthony Horowitz
- ✓ *The Spy's Secret Handbook* (Fiction and Non-fiction) by Jane Penrose.

## As Scientists we can continue to explore Forces and be able to...

- ✓ Identify and know the effect of air and water resistance
- ✓ Identify and know the effect of friction
- ✓ Explain how levers, pulleys and gears allow a smaller force to have a greater effect.
- ✓ Work Scientifically to explore and prove a theory.

## As Historians/Geographers we can...

- ✓ Explore different types of code writing from the past (eg Alan Turing and the Enigma code, Morse Code and the Caesar Shift).
- ✓ Look at "real" spies from the past.
- ✓ Use clues and observations from the mysterious briefcase to learn the names of and locate at least eight major capital cities across the world.
