

Home Learning Year 6

Week Beginning 1st March 2021

Miss Harvey

Remote Learning/ Live Lessons

Monday 1st March - Friday 5th March

Well done for a great first week back. I have really enjoyed your poetry last week. Some really beautiful poems were written. Well done! This week we have World Book Day. Don't forget to dress up on Thursday and to take part in the competition. I hope you all enjoy our author workshops this week.

I have created a suggested timetable again for this week- please use if it helps you to organise your time.

One more week of home learning and we will back together as a class.

I can't wait to see you all again 😊

ZOOM LESSONS

I will send the login details via ping for safety reasons. **Reminder: by accessing the Zoom lesson this grants parental permission for recordings to be taken of the sessions and kept for the academic year.**

**Monday 1st
March**

Lesson 1

Home Learning Year 6
Week Beginning 1st March 2021
Miss Harvey

	<p>In our geography work this week we are going to continue to explore the differences between developing and developed countries.</p> <p><u>Geography lesson 1</u> What physical factors can make a country be classified as developing? Use the following websites to help you research how pollution and global warming affects developing countries: https://www.ducksters.com/science/environment/water_pollution.php https://www.ducksters.com/science/environment/global_warming.php https://climatekids.nasa.gov/air-pollution/ Create a leaflet explaining how we can help reduce pollution and global warming. Use the provided template or create your own.</p> 
<p>Physical Education</p>	<p>Open the attached PE Netflix challenges PowerPoint.</p>  <p>This week have a go at 2 of the dance challenges. Make sure that you send in a photograph to Sessaw. Maybe have a go at the Fortnite Dance Workout or the Lion King dance?</p>
