Remote Learning/ Live Lessons

Monday 25th Jan - Friday 29th Jan

Well done to everybody who continues to work hard in school and at home. I know it can be difficult to stay motivated but you are all doing so well. I was impressed last week with some of the biographies about Ivar the Boneless. I am also really proud of how well you worked on multiplying decimals. Keep thinking about your mental wellbeing too- I will post more mindfulness ideas on Seesaw for you to try again this week.

I have created a suggested timetable again for this week- please use if it helps you to organise your time.

Gain on Friday we are having a no-screen day. There will be no Zoom sessions but I will put a pre-recorded video onto Seesaw which will give an overview of activities for the day.
