

# Would a dragon be a good friend?

## As Historians and Geographers we can...

- ✓ Learn about Queen Victoria
- ✓ Know the differences between villages, towns and cities.
- ✓ Know and recognise main weather symbols
- ✓ Know which is the hottest and coldest season in the UK.

## As Sports People we can...

- ✓ Kick and stop a ball with control
- ✓ Throw and catch a ball
- ✓ Roll, curl, balance and travel in different ways.
- ✓ Work as a team - teamwork!

## As Mathematicians we can...

- ✓ Subtract 1-digit and 2-digit numbers to 20, including zero.
- ✓ Solve subtraction word problems.
- ✓ Use number-lines to solve subtraction number sentences.
- ✓ Recognise and name 2D and 3D shapes.
- ✓ Recognise and complete patterns using shapes.

## As Artists and Designers we can...

- ✓ Use junk modelling to create castles that can withstand a weight.
- ✓ Look at artwork by a range of artists (Piet Mondrian, Henri Matisse, Wassily Kandinsky, Georges Seurat.)

## Hooks for learning:

- ✓ A mysterious egg found in the classroom.
- ✓ A CCTV video showing our dragon visitor.
- ✓ A visit from Santa's elf Erol.

## Using Technology we can...

- ✓ Create media through digital painting.

## As Scientists we can...

- ✓ Name the different seasons.
- ✓ Describe the weather in Autumn.
- ✓ Compare and sort materials based on their properties.
- ✓ Do experiments to test which materials are best suited for different jobs.

## As Model Citizens we can...

- ✓ Know how to make safe relationships.
- ✓ Know how to respect ourselves and others.

## As Readers and Writers we can...

- ✓ Successfully use capital letters, finger spaces and full stops.
- ✓ Use adjectives to add more detail in our writing.
- ✓ Start to use the conjunction 'and' to extend our sentences.
- ✓ Write a dragon story.
- ✓ Write a letter to Father Christmas.
