

Would a dragon be a good friend?

As Historians and Geographers we can…

- ✓ Learn about King Charles III and the Royal family.
- ✓ Know the differences between villages, towns and cities.
- ✓ Know and recognise main weather symbols.
- ✓ Know which is the hottest and coldest season in the UK.

As Artists and Designers we can…

- ✓ Use junk modelling to create castles that can withstand a weight.
- ✓ Look at artwork by a range of artists (Piet Mondrian, Henri Matisse, Wassily Kandinsky, Georges Seurat.)

Using Technology we can…

- ✓ Create media through digital painting.

As Scientists we can…

- ✓ Name and describe the different seasons and weather.
- ✓ Compare and sort materials based on their properties.
- ✓ Do experiments to test which materials are best suited for different jobs.

As Sports People we can…

- ✓ Kick and stop a ball with control.
- ✓ Throw and catch a ball.
- ✓ Roll, curl, balance and travel in different ways.
- ✓ Work as a team – teamwork!

Hooks for learning:

- ✓ A mysterious egg found in the classroom.
- ✓ A CCTV video showing our dragon visitor.
- ✓ A visit from Santa's elf.

As Model Citizens we can…

- ✓ Know how to make safe relationships.
- ✓ Know how to respect ourselves and others.

As Mathematicians we can…

- ✓ Subtract 1-digit and 2-digit numbers to 20, including zero.
- ✓ Solve subtraction word problems.
- ✓ Use number-lines to solve subtraction number sentences.
- ✓ Recognise and name 2D and 3D shapes.
- ✓ Recognise and complete patterns using shapes.

As Readers and Writers we can…

- ✓ Successfully use capital letters, finger spaces and full stops.
- ✓ Use adjectives to add more detail in our writing.
- ✓ Start to use the conjunction 'and' to extend our sentences.
- ✓ Write a dragon story.
- ✓ Write a letter to Father Christmas.
