

How does your garden grow?

- As Historians/Geographers we can...**
- ✓ Look at our local history of Gorse Hall and Beatrix Potter
 - ✓ Know N, E, S and W on a compass
 - ✓ Know our own address and postcode
 - ✓ Know what fairtrade food is
 - ✓ Know where food comes from

- As Readers and Writers we can...**
- ✓ Follow a set of instructions to make some pancakes
 - ✓ Identify verbs and adverbs in instructions
 - ✓ Write instructions for making sandwiches and fruit tucks
 - ✓ Write a story about Peter Rabbit being in Mr McGregor's garden
 - ✓ Use but/and to extend our sentences.

- As Model Citizens we can...**
- ✓ Help look after the environment
 - ✓ Know our own strengths and the strengths of others
 - ✓ Know some of the miracles that Jesus performed

- As Designers and Artists we can...**
- ✓ Describe the artwork and give an opinion on the work by Van Gogh
 - ✓ Recreate Van Gogh's sunflower painting using pastels.
 - ✓ Create repeating patterns by printing fruit and vegetables
 - ✓ Know the primary and secondary colours.
 - ✓ Cut and cook food safely.

- Hooks for learning:**
- Grow plants in a Science experiment
 - Make our own sandwiches and fruit tucks
 - Visit Gorse Hall

- As Sports People we can...**
- ✓ Follow the rules of a game
 - ✓ Develop attacking and defending skills
 - ✓ Play as part of a team

- Using Technology we can...**
- ✓ Make a pictogram to show our favourite fruits
 - ✓ Copy and paste pictures of our favourite foods

- As Scientists we can...**
- ✓ Know and name a variety of common wild and garden plants
 - ✓ Know and name the parts of plants and trees

- As Mathematicians we can...**
- ✓ Count forwards and backwards to 50
 - ✓ Identify the tens and ones in numbers to 50
 - ✓ Represent numbers to 50 in different ways
 - ✓ Compare and order numbers to 50
 - ✓ Count in 2's, 5's and 10's
 - ✓ Recall number bonds to 10 and 20
