

Would a dragon be a good friend?

As Historians and Geographers we can...

- ✓ Learn about Queen Victoria
- ✓ Know the differences between villages, towns and cities.
- ✓ Know and recognise main weather symbols
- ✓ Know which is the hottest and coldest season in the UK.

As Sports People we can...

- ✓ Kick and stop a ball with control
- ✓ Throw and catch a ball
- ✓ Roll, curl, balance and travel in different ways.
- ✓ Work as a team

As Mathematicians we can...

- ✓ Subtract 1-digit and 2-digit numbers to 20, including zero.
- ✓ Solve subtraction word problems
- ✓ Use numberlines to solve subtraction number sentences
- ✓ Recognise and name 2D and 3D shapes
- ✓ Recognise and complete patterns using shapes

As Artists and Designers we can...

- ✓ Use junk modelling to create castles that can withstand a weight
- ✓ Look at artwork by a range of artists (Piet Mondrian, Henri Matisse, Wassily Kandinsky, Georges Seurat)

Hooks for learning:

- ✓ A mysterious egg found in the classroom
- ✓ A CCTV video showing our dragon visitor
- ✓ A visit from Santa's elf Erol

Using Technology we can...

- ✓ Create media through digital painting.

As Scientists we can...

- ✓ Name the different seasons
- ✓ Describe the weather in Autumn
- ✓ Compare and sort materials based on their properties
- ✓ Do experiments to test which materials are best suited for different jobs.

As Model Citizens we can...

- ✓ Know how to make safe relationships
- ✓ Know how to respect ourselves and others

As Readers and Writers we can...

- ✓ Successfully use capital letters, finger spaces and full stops
- ✓ Use adjectives to add more detail in our writing.
- ✓ Start to use the conjunction 'and' to extend our sentences
- ✓ Write a dragon story
- ✓ Write a letter to Father Christmas
