

Home Learning Year 2

Week Beginning 30th March 2020

Mrs Neary/ Miss Laitl

Topic	Bees: Where would be without the bee?	
Literacy and Communication	<p>Visit Education City website to practise contractions by playing "Croaking contractions" game. Can you write sentences with contractions? e.g. is not – isn't</p>	<p>The bees in the world are disappearing. Can you write a charity appeal to save bees? Think about why are bees important. You can watch this video to help you with ideas. https://www.youtube.com/watch?v=YaaQUGPXtnU</p>
Maths and Problem Solving	<p>Can you go on a shape hunt around your house? Which 2D and 3D shapes can you spot? Can you remember their properties? e.g. sides, vertices, faces, edges</p>	<p>Log onto MyMaths using login details provided and complete set activities on multiplication and division. You can also continue your work on dynamo maths programme.</p>
Science and the outside environment	<p>Can you investigate a life cycle of a seed (it could be a sunflower seed, tomato seed or any other seed) and draw a diagram of the life cycle. There are two activities on Education City set for you, however they are not tablet friendly so don't worry if you can't access them. You can use internet instead or maybe you have a book about plants that you could use.</p>	
Humanities and Citizenship	<p>Can you locate Africa on the map of the world? Can you name any countries in Africa? Can you have a look at pictures of life in Kenya and compare it to the life in UK. Can you spot any similarities and differences?</p>	
Creative Arts	<p>Can you draw a picture of a bee friendly garden?</p>	<p>Get cooking! Ask your grownup to help you prepare a healthy snack or a meal. If you have some honey at home maybe you cook try some baking? There are loads of easy recipes available online.</p>
Physical Education	<p>It's important to stay active whilst you're off school. Do a Joe Wicks (Body Coach) keep fit workout: Keeping moving will help to keep your feelings as well as your body fit and happy. You can access lots of them via this link https://www.google.com/search?q=5+minute+move+joe+wicks&rlz=1C1GCEV_enGB850GB850&oq=5+minute+move+joe+wicks&aqs=chrome..69i57.5032j0j8&sourceid=chrome&ie=UTF-8 Or search Joe Wicks 5 Minute Move.</p> <p>Have fun and challenge yourself using the Change4Life '10 Minute Shake Up' games: These action packed games all count towards the 60 minutes of physical activity that is recommended for children every day. Follow the link https://www.nhs.uk/10-minute-shake-up/shake-ups</p>	
Reading	<p>Please try and read for at least 15 minutes every day. Log onto bug club and read the books allocated for you. You can also read books that you have at home, read instructions to a recipe, read information online about bees.</p>	

Home Learning Year 2
Week Beginning 30th March 2020
Mrs Neary/ Miss Laitl

Times tables	Practise your 2, 5 and 10 times tables. If you feel confident with your 2, 5, and 10 times tables you could try to count in 3s.
