### Humanities and Citizenship

Watch **Newsround** and stay up to date with the latest news for children.

If you have any questions about Newsround, please ask an adult. [https://www.bbc.co.uk/newsround/news/watch\\_newsround](https://www.bbc.co.uk/newsround/news/watch_newsround).

#### **Act of kindness:**

**Write a letter** to a Local Supermarket, NHS worker, Head-teacher, Postman or a key worker who are working hard to maintain our quality of living across the UK.

Remember to tell them a little bit about yourself (stay safe: don't give any personal details).

Tell them: what you are grateful for (why are you writing to them).

Tell them: how their efforts are helping/impacting you and your family.

And finally: give a few words of praise for what they are doing to keep them motivated during this difficult time.

### Creative Arts

**Make a spy gadget** using as many recyclable materials that you can find in your home. Try and be as creative as you can. Can your gadget do multiple things?

#### **Super spy hacks – have lots of fun.**

Watch the link and have a go at the crime -busting fingerprint dusting experiment or try them all:

<b>Times tables</b>	<p>Do not forget to continue to <b>practise your timetables</b>. Spend 10 minutes a day at least on <b>TT Rockstars</b>. <a href="https://trockstars.com/">https://trockstars.com/</a></p> <p><u>Year 5</u> children need to know all their times tables and division facts for 2-12 times tables.</p> <p>However, if you know them all, fabulous, <b>perhaps you can challenge an adult?</b></p>
