Zoom lesson plan w/b 13th July

Dear Parents,

As you can appreciate with the wider openings of schools, the Year 3 zoom sessions may have to change. Mrs Slate and I are in school with Year 6 and Year 1 and will do our very best to continue with some zoom sessions for Year 3. Please check carefully the zoom invites for dates and times and we hope that you're able to make them. If not, please continue using the home learning grid, work packs and the online resources to access Year 3 learning.

It is a good idea to ensure that while on Zoom the video camera shows limited background behind your child and not showing for examples bedrooms, and to remember that other children can view your child and home, keep safe.

Please can parents ensure that their child is supervised during all Zoom sessions. Children should not draw on the shared screen. We have been advised for Safeguarding purposes to record Zoom Sessions. However, the recordings will not be shared and will be destroyed after a period of time.

Kind regards

Ms McCoy and Mrs Slate.

On Wednesday 15th at 2:00pm there will be Zoom with Ms McCoy

PSHE- before this session it is a good idea for children to complete the sheet attached to the blog. Children will get the chance, if they want to share:

- Who, or what, have you missed during Lockdown and why?
- Is there something (or someone) that you think you appreciate more since Lockdown began?
- Hopefully, you are feeling safe, secure, and positive about the future. What are you looking forward to?
-

Take care and we look forward to seeing you on zoom. If you have any questions or queries, do not hesitate to contact
