

Home Learning Year 3  
Week Beginning 29th June 2020  
Mrs McCoy/ Mrs Slate

Zoom lesson plan w/b 29<sup>th</sup> June

Dear Parents,

As you can appreciate with the wider openings of schools, the Year 3 zoom sessions may have to change. Mrs Slate and I are in school with Year 6 and Year 1 and will do our very best to continue with some zoom sessions for Year 3. Please check carefully the zoom invites for dates and times and we hope that you're able to make them. If not, please continue using the home learning grid, work packs and the online resources to access Year 3 learning.

It is a good idea to ensure that while on Zoom the video camera shows limited background behind your child, and to remember that other children can view your child and home, keep safe.

Kind regards

Ms McCoy and Mrs Slate.

On Tuesday 30<sup>th</sup> at 10:00am with Mrs Slate:

Children will have the chance to show their Anderson Shelters, to read out any information that they have learnt about WW2. In the previous Zoom, it was good to hear how children have been speaking to their family about World War history. We need a fabulous Year 3 audience to listen to what their friends have learnt about WW2 so don't worry if you have already shared your work.

There will also be a times table focus, so get practising on TT Rockstars or use the attached link before the session.

Home Learning Year 3  
Week Beginning 29th June 2020  
Mrs McCoy/ Mrs Slate

On Wednesday 1<sup>st</sup> July at 2:00pm with Ms McCoy

There will be a Grammar and spellings focus. Here is the link for the suffix fer and the spelling words.

<https://www.bbc.co.uk/bitesize/topics/zqgsw6f/articles/zcsyity>

transfer	Differ
water proofer	Suffer
body surfer	Surfer
infer	Confer
Prefer	Offer
Conifer	sniffer
Briefer	Flame proofer
lucifer	Candle snuffer

On Thursday at 10:00am with Mrs Slate:

Maths focus adding fractions, children will need pencils and paper.

Before the lesson it would be a good idea to have watched the video link on the home learning grid about fractions and completed the whiterose sheets involving adding fractions.

Take care and we look forward to seeing you on zoom. If you have any questions or queries, do not hesitate to contact
