Zoom lesson plan w/b 6th July

Dear Parents,

As you can appreciate with the wider openings of schools, the Year 3 zoom sessions may have to change. Mrs Slate and I are in school with Year 6 and Year 1 and will do our very best to continue with some Zoom sessions for Year 3. Please check carefully the zoom invites for dates and times and we hope that you're able to make them. If not, please continue using the home learning grid, work packs and the online resources to access Year 3 learning.

It is a good idea to ensure that while on Zoom the video camera shows limited background behind your child and not showing for examples bedrooms, and to remember that other children can view your child and home, keep safe.

Please can parents ensure that their child is supervised during all Zoom sessions. Children should not draw on the shared screen. We have been advised for Safeguarding purposes to record Zoom Sessions. However, the recordings will not be shared and will be destroyed after a period of time.

Kind regards

Ms McCoy and Mrs Slate.

Children will learn about Jews in a Religious Education lesson. They will use this information to then, after this Zoom, to complete the Jews worksheet.
