

Think of your own animal or creature Noi could find on the beach. Draw it in the box below and use the lines to describe it. Think of interesting adjectives.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins or other markings on the paper.

Example:

The beautiful mermaid has long brown flowing hair. She has blue twinkly eyes and a charming smile. The magical mermaid has a colourful shimmering tail. She is wearing a shiny pearl neckless.

The slimy octopus has eight long flexible tentacles and a large spotty body. He has two round glistening eyes and a mischievous smile.

### Story:

Once there was a little boy called Noi. He lived with his dad in a small wooden house by the beautiful sea. Every day his busy dad went to work. One night, there was a wild storm. The powerful winds howled and the huge waves crashed against the rocky coastline. The next morning, Noi went for a walk along the sandy beach to see what had been left behind. He spotted something mysterious in the distance. Noi stepped closer and he could not believe his eyes. It was a magical mermaid! She had a colourful scaly tail and blue twinkly eyes. The mermaid was called Sally. The enchanted mermaid was in trouble and Noi knew that it wasn't good for a mermaid to be out of water. Noi quickly brought Sally back to his house and placed her in the bath. Noi told Sally stories about the life on the island and Sally told him all about her life in the deep vast ocean. Noi and Sally became best friends. In the evening, Noi sneaked some of his delicious food into the bathroom but his dad followed him. Noi's dad was not angry but he said "we must return this magical mermaid back to the shimmering sea where she belonged". They sailed out together and returned the magnificent creature back home. Sally jumped into the sea with a big splash. Noi waved her goodbye until she disappeared. Noi wondered if she would ever return.
