Topic	Would you be an Arctic explorer? Here are some ideas for you to complete at home whilst you are in lockdown this week.		
Literacy and Communication	Explain that verbs are doing words. Play charades with your family acting out different verbs.	Complete one or the wintery verbs sheets (see attached document).	Write your own I am snow poem.
Maths and Problem Solving	Share a packet of smarties between your family equally so that everyone has the same amount. Repeat using different amounts of smarties making sure they are shared equally each time.	Log into My Maths and complete the work set on division and the 2 times table.	Complete the division word problems (see attached document). Draw circles in groups to show the question or use practical equipment to help you.
Science and the outside environment	Go on a nature walk and collect different types of leaves. Can you work out which type of plant the leaf is from? Create a picture using the leaves you have collected. http://www.woodlandtrust.org.uk/media/48345/leaf-id-sheet.pdf		
Humanities and Citizenship	Keep a weather diary for this week. Record the <ul style="list-style-type: none"> • type of weather using weather symbols • temperature (you can measure this yourself if you have a thermometer) • rainfall (you can measure this yourself by leaving a container outside) Which day is the hottest? Which day has the most rainfall?	Watch George and the Dragon https://www.youtube.com/watch?v=RqBn08RywaE Create an English flag for St George's Day. Create a superhero red, white and blue smoothie (see attached document)	
Creative Arts	Draw around your hand and create a picture using warm and cold colours and patterns like this one. Which warm colours have you used? Which cold colours have you used? <div style="display: flex; justify-content: space-around; align-items: center;">   </div>
