

# Home Learning Year 1

## Week Beginning 4<sup>th</sup> May 2020

### Miss Mainprize

<b>Topic</b>	Would you be an Arctic explorer? Here are some ideas for you to complete at home whilst you are in lockdown this week.		
<b>Literacy and Communication</b>	Listen to the story Lost and Found by Oliver Jeffers <a href="https://www.youtube.com/watch?v=cRAAQ8EWzig">https://www.youtube.com/watch?v=cRAAQ8EWzig</a>  Write a postcard from the South Pole as the penguin. Use the senses to structure your writing. Can you include adjectives and the conjunctions 'and' and 'but' in your writing?	Using the picture, 'If I could go anywhere, where would I go?' (see attached), write sentences using the conjunction 'or' to suggest where you would take the penguin to.  E.g. I would take the penguin to the hot, sandy desert or I would take him to the shimmering, blue waterfall.  Make sure the words one each side of 'or' would make sense as a sentence on its own.	
<b>Maths and Problem Solving</b>	Find objects around your house, can you cut them into quarters?  Can you split 2D shapes into quarters?  Make sure that the parts are equal.	Complete Summer Term Week 2 Lesson 2 activity on 'Find a quarter'.  <a href="https://whiterosemaths.com/homelearning/year-1/">https://whiterosemaths.com/homelearning/year-1/</a>	Find a half of a number by splitting the pictures into 2 equal groups and a quarter by splitting them into 4 equal groups. Use the document 'half and quarter of a number' (see attached).
<b>Science and the outside environment</b>	Create a poster to show all the things that you already know about healthy lifestyles.		
<b>Humanities and Citizenship</b>	Create a cut out of a person and stick it to an A4 sheet. Decorate the inside of the person with things that make you who you are: things you like, your name, your family, what makes you happy etc. On the outside of your person, write different places and groups that you belong to, e.g. family, church, Broadbent Fold, swimming etc.	Have your own VE Day Street party (in your house/garden).  You could: <ul style="list-style-type: none"> <li>- Make bunting</li> <li>- Have a picnic</li> <li>- Dress in red, white and blue</li> <li>- Listen to music that would have been popular at the end of WWII</li> </ul>	
<b>Creative Arts</b>	Create one of these pop up artworks.  <a href="https://www.youtube.com/playlist?list=PLnoO3k54vcBSa78-fuytax0hGgVRZOBsp">https://www.youtube.com/playlist?list=PLnoO3k54vcBSa78-fuytax0hGgVRZOBsp</a>	<u>VE Day Art Challenge</u> Can you create a poster to thank our heroes past and present?	

# Home Learning Year 1

## Week Beginning 4<sup>th</sup> May 2020

### Miss Mainprize

<b>Physical Education</b>	Create your own obstacle course in your house/garden. Can you go under things, over things and round things? Can you beat your own time or a member of your family?		Practise your throwing for accuracy.  <a href="https://www.youtube.com/watch?v=tHRvquNKf1Q&amp;list=PLYGRaluWWT0jV3An2WEgsQ4qGFy_91jDL&amp;index=5&amp;t=0s">https://www.youtube.com/watch?v=tHRvquNKf1Q&amp;list=PLYGRaluWWT0jV3An2WEgsQ4qGFy_91jDL&amp;index=5&amp;t=0s</a>  You could use your laundry basket, pots and pans or draw a target on the floor using chalk.
<b>Reading and phonics</b>	Log into Bug Club and read one of the books in your area.	Complete one of the Victory in Europe Day comprehensions (see attached).	Play Phonopoly to practise your phase 5 sounds (see attached)
<b>Times tables</b>	Practise your number bonds to 10 and 20.		
<b>Spellings</b>	Practise spelling the days of the week.
