Learning Today for Tomorrow's World

Background to the Primary PE and Sport Premium Funding

The PE and Sport Premium Funding is given to primary schools to fund additional and sustainable improvements to the provision of PE and School Sport and to encourage the development of healthy, active lifestyles for the benefit of all pupils.

Schools receive their funding each financial year (April – March) and this is spent accordingly each term.

Provision at Broadbent Fold Primary School and Nursery

At Broadbent Fold, the use of the PE and Sports Premium Funding will be used to fund additional and sustainable improvements to one of the following areas:

- Physical Education
- School Sport and Competition
- Healthy and Active Lifestyles

Current Barriers to PE and School Sport

These decisions will be tailored around the individual needs of our pupils. Our current barriers to successful provision and education faced by our pupils include:

- Emotional wellbeing / mental health - fair play/ turn taking/ following rules and accepting decisions.
- The teaching of games rather than sporting skills to improve skills to play games better.
- Sustained activity - keeping fit – healthy bodies/ healthy minds.

Impact Measures

The impact and success of the Primary PE and Sport Premium is regularly monitored by the Senior Leadership Team and the Governing Body in a variety of ways, including:

- Pupil attainment (using National Curriculum statements)
- Pupil participation in class and in extra-curricular activities (group / whole class contributions)
- Pupil evaluations and discussions. Pre and post checklist of skills following an initiative. i.e., What could they do before? What can they do now?
- Class Teacher / Support Staff observations.

- Tameside Active Games Mark award – Gold winners, Participation in Competitions Award, Walking to School Award 2023, Team Spirit Award 2023/2024 (for second year running) and Sports Quiz Winners 2023.

Allocation of Funding 2025 - 2026:

The Primary PE and Sport Premium funding allocated to the school for the year, 2025-2026 is £17,670. We are planning to use this funding in line with guidance from the DfE and Ofsted, to make additional and sustainable improvements to the provision of PE and School Sport and to encourage the development of healthy, active lifestyles for the benefit of all pupils.
