Presently, PTFA funds are being used to buy new reading material across school. If you have any requests for how the funds could be spent, please complete the box below.

- It would be great to see a media club for the pupils, maybe some outside media companies coming in to set tasks or teach them about careers in the media. Perhaps some new media or technology equipment so the pupils can promote different aspects of the school!
- Library books there isn't many good story books.
- Outdoor clothing and equipment for forest school.
- Outdoor improvements.
- Equipment/ resources for the KS2 playground

Sports equipment Portable technology- iPads etc. Language tuition for all

New outdoor equipment in EYFS

First aid training for children.

Pay contributions to school trips/visits to reduce cost to parents

Anything that enhances the children's learning whilst adding some enjoyment - eg a small gift of a book for each child at Christmas - whole school visit to a pantomime at Christmas

Materials for outdoor learning across all stages

Books that appeal to boys! Particularly 8-11

Reading material is great but it would also be good for school trips
