- As a parent I am pleased my child is happy and safe in school and enjoys coming to school. He has many exciting and engaging opportunities to learn new things. It is evident that the staff care about my child, they know him and have his best interests at heart. Overall, I am really pleased with the school.
- Broadbent Fold is a fantastic school with the children's needs at the forefront of everything they do. Thankyou
- Some teachers are better equipped to deal with parents concerns while others tend to ignore the issue.
- Broadbent Fold is a fantastic school. It is evident that the headteacher has the children's best interests at heart at all times and this is fed down through the staff. My child enjoys school and enjoys learning at BBF
- Currently being assessed for autism, the school has been fantastic.
- School photographs are incredibly expensive, too expensive for many families to access without financial hardship or guilt. White tops for the younger children in particular is difficult to manage as they come home stained most days and have to be thrown away which again adds further costs on a regular basis. A darker school top would help to avoid this.
