

Draw around yourself and label as many different parts of the body as you can.

Measure the length of 5 objects in your house using household objects such as pasta/toy cars/paper clips,

e.g. the pencil is 5 paper clips long

Which is the longest/shortest?

Challenge: Can you measure the length of them using a ruler (to the nearest cm)?

Use your art skills to create a dinosaur (2D or 3D). You can be as creative as you like: paint a picture, collage, use paper plates, playdough etc.

Research and create a factfile for your favourite dinosaur. You could include its name, a picture, what it looked like, what it ate, how big it was etc.

Write 4 sentences using the conjunction 'but' to compare things you and your family like. The things should be different but about the same topic. Each side of the 'but' should be a sentence.

E.g. **I like chocolate** but **my Dad likes sweets**.
I have blonde hair but **my Mum has brown hair**.

Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post photographs of your work on Seesaw or send your work into school.

Gold award = All homework complete

Silver award = 6 pieces of homework complete

Bronze award = 4 pieces of homework complete

Write the numbers to 20 in numerals and words. Show the value of each number using dots or a household object.

Complete the attached addition and subtraction worksheets.

Practise the weekly number bonds/timetables. These will be sent out every Tuesday.
