

Home Learning Grid- Nursery 2020. This is in case of self-isolation at home or school closure. You can choose three of these activities to complete. Your login for Education City is in the front of your Home-School Book I have added some activities for you to complete. Please continue to share a book daily with your child.

Can you create your own information leaflet about a jungle animal? You could include pictures, drawings and facts that you find online or in books.

Practise writing your numbers as often as you can to make sure your numerals are the right way around!

How many times can you catch or bounce a ball in one minute? Who can do the most in your family? Can you write down how many each person did?

What different signs of Spring can you see in your garden? You could draw or take some photographs of what you saw to show us.

Can you write lots of number sentences using the += symbols?

Can you collect some different things we can recycle and use them to create something?
