

Design and create a bug hotel to help look after all the bugs. You can use this website for some ideas. [Simple Bug Hotel for Kids](#) - [Red Ted Art - Make crafting with kids easy & fun](#)

Choose 8 numbers between 0 and 50. Show how many tens and ones are in these numbers. You could use Lego or something similar to show this.

(2 tens and 6 ones)

Design your own disgusting sandwich. Using sentences, write a description of what is in it. Don't forget to use lots of adjectives.

Write a set of instructions for how to make your breakfast.

Use your skills of measuring weight to do some baking and carefully measure out the ingredients.

Over this half term these are activities that you can complete for home learning or just if you want to do something extra.

Please post photographs of your work on Seesaw or send your work into school.

Gold award = All homework complete

Silver award = 6 pieces of homework complete

Bronze award = 4 pieces of homework complete

Choose 8 numbers between 0 and 50. Can you write down the number that is one more and one less than this number?

Learn your address and postcode so you can say it and write it down.

Practise the weekly number bonds/timetables. These will be sent out every Tuesday.
