AUTUMN FAMILY WALKING ACTIVITIES

Going for a walk is a great way to explore your local area and have fun with your family and family. Notice what you can smell, feel, hear and see as you walk in a local park or green space - it might surprise you!

Did you discover a sticky mushroom or make an autumn mandala? We'd love to see your autumn finds! Your parents or carers can share your photos and videos on social media using the hashtag #AutumnStreetSafari

WHY NOT TRY...

Write a poem or story about a raindrop's journey down the street.

Use the items you collect on your walks to create an autumn nature mandala.

Make a hedgehog house from an upturned plastic box filled with dry leaves.

PARENTS AND CARERS - WE WANT TO HEAR FROM YOU!

Share a memory from your Autumn Street Safari for a chance to win in our prize draw!
